

Gevirtz Research Institute

CORE Lunch Series

(Conversations on Research in Education)

Monthly on the 3rd Wednesday, 12pm-1pm
Education 2209
Bring your lunch!

These gatherings provide The Gevirtz School community with an opportunity to discuss research ideas and questions. Specifically, the meetings provide a forum to present research in progress and receive/offer feedback. They also serve as a venue to provide information about research development, proposal preparation, and award administration.

2009

October 21:

“Managing Your Research Funds: Dissecting Recaps and Understanding Projections”

November 18:

“Demystifying Proposal Budgets and Budget Justifications”

December: No meeting
