**SPECIFIC SUBJECT MATTER AUTHORIZATIONS (SMA) WORKSHEET**

(Please type all information on this worksheet.)

**STUDENT'S NAME:** \_\_\_\_\_ **CREDENTIAL:** \_\_\_\_\_ **SINGLE SUBJECT OR** \_\_\_\_\_ **MULTIPLE SUBJECT**

*The Specific Subject Matter Authorization (SMA) authorizes the holder to teach only the specific subject in grades preschool, kindergarten-12, and classes organized primarily for adults. If you would like to apply for a specific subject matter authorization, please complete the enclosed worksheet and return it to the Credential Services Office Education #4102 with course descriptions no later than **May 20, 2011**. All Official transcripts must be on file. The Credential Services Office and TEP faculty will review the worksheet. If the SMA is approved the subject will be added to your credential. Submit the worksheet only if you want the subject added to your credential. If you would like to add a subject authorization at another time you can apply directly to the Commission on Teacher Credentialing after your credential is awarded. (For Single Subject Candidates the subject cannot be added if it is already authorized in the teaching subject area of the credential e.g. drama for English Credentials.)*

Each SMA requires either (1) a **degree major** directly related to the subject **or** (2) forty-eight quarter units directly related to the subject. Acceptable course work must be:

- a. Completed with a grade of "C" or better ("credit," "passing," or "satisfactory" is acceptable)
- b. Applicable toward (elective or non-elective) a bachelor's or higher degree (non-remedial) and recorded on the official transcript.
- c. Taken at a regionally accredited institution,
- d. Granted regular quarter or semester unit credit, and
- e. From the subject department of the subject matter authorization being sought (not education methodology).
- f. Advanced placement units (require an official transcript of the course and written verification from the college or university admission or registrar's office that the units are applicable towards a bachelor's degree and are in the subject category of the requested subject matter authorization).
