Please join the CCSP community for our annual Research Festival! Fourteen graduate students from the CCSP department will be presenting their research and findings during this symposium event. Don't miss this opportunity to support your colleagues and learn about cutting-edge research being conducted by your peers.

- 1st, 2nd, & 3rd year CCSP students are required to attend this event.
- Light refreshments will be provided.
- Arrive between 8:00-8:30 for a light breakfast and an introduction to the Research Festival.
- Presenters must be there at 8:00AM.

We look forward to seeing you there!!!
