ED 129 & CHEM 102 ONLY:

You must record your hours in your Google Sheet Placement Log. For orientations log 1.5 hours and for each day of the module log 1 hour. Each day should be logged separately. For information about how to access the log please contact Darby Feldwinn at feldwinn@chem.ucsb.edu.

If you do not miss any days of the module including orientation your will receive 2 pts of extra credit (ED 129 only)

For ED 129 and CHEM 194: Only 2 Missed Days Are Allowed, and For CHEM 102 and CHEM 94: Only 1 Missed Day Is Allowed. Missing Orientation Counts As Missing 1 Day For All Courses.

For each missed day you will need to complete 1.5 hour of "Behind The Scenes" work. If you missed the Orientation, you must complete the Online Orientation **BEFORE** the start of the module and complete 1 hour of "Behind The Scenes work." This will also be counted as a missed day. You will not be allowed to go to the module until you complete the Online Orientation. Missing a day due to not completing the orientation will count towards your missed days and will need to be made up if allowed.

When you have completed this form and it has been signed below by the SciTrek Coordinator, please return it promptly to the UCSB course instructor. It is your responsibility to get the form to your instructor.

SciTrek Coordinator's Signature:

Total Pre-Professional Hours:

*For questions regarding hours, contact SciTrek Elementary Coordinator: scitrekelementary@chem.ucsb.edu.
Make a copy of this form for your own records to use for applying to Teacher Education Programs.

Only fill out the following if you need Pre-Professional Hours and are not currently taking either the ED 129 or CHEM 102 courses:

Write a brief summary of your role in the classroom:

What did you gain from this experience?

How did this experience impact your thoughts on STEM teaching and learning?
