Although we are a combined program, all students must apply to one primary area of emphasis (counseling, clinical, or school). What emphasis are you applying to?

☐ COUNSELING PSYCHOLOGY  ☐ SCHOOL PSYCHOLOGY  ☐ CLINICAL PSYCHOLOGY

Because we adhere to a mentor model of advising, it is important that you only select faculty members within your chosen emphasis area with whom your interests are compatible, and with whom you would actually be a good match. It is anticipated that you will work with this faculty member as your advisor and research mentor during your career of doctoral work at CCSP.
