*Students planning to enroll into 274D should enroll for 1 credit of CNCSP271A during the summer prior to Year 2.

**Consult with the Student Affairs Office to make sure the number of units is optimal for your financial situation.
Note: This Anticipated Course Sequence includes all courses required for both the M.Ed. degree requirements and the credential requirements. Therefore, although the M.Ed. Degree lists only 52.0 credit units, successful completion of the program for credentialing as a school psychologist requires obtaining a minimum of 99.0 credit units as listed above.
Appendix B

M.Ed. Student Planned Program of Study Form

The Planned Program of Study form is a document that lists all of the courses that students must take to complete the M.Ed. in School Psychology program.

A Planned Program of Study form should be completed by the student in collaboration with their program advisor. The form should be signed by the student and program advisor.

It is recommended that the program of study be completed by the end of the first semester after the student's admission to the program, or, before 12 hours of graduate coursework have been completed, whichever occurs first.

General Master’s Degree Student Policies
(Adapted from UCSB Graduate Catalog)

Degree Time Limit
Master's degrees must be completed within four years from the student's date of admission for graduate study.

Scholarship
The minimum grade-point average required for the award of a master's degree is 3.0 in all graduate and upper division courses completed in graduate standing on any campus of the University.
Please note that individual programs may have stricter requirements for acceptable grades, the School Psychology program does not accept grades lower than a B. Students who fail to maintain good standing may be placed on probation or academically dismissed. Students must meet the requirements to be in good standing to graduate.

Enrollment Requirements
All graduate degree-seeking students must be continuously enrolled. Continuous enrollment is defined as completing, with grades assigned, a minimum of four unit hours of graduate credit. Colleges and programs may have additional requirements. Students on an approved leave of absence are not subject to the enrollment requirement for the time approved for the leave.

**State and National Exams—must receive passing scores PRIOR to graduation**

CBEST
Praxis School Psychology

**Required Comprehensive Oral Exam:** Students complete the Oral Exam in their 6th Quarter of master’s coursework. Student should contact their program advisor for more information regarding their oral exam.

**Course Substitutions:** Courses taken in lieu of those listed here must be approved in writing by both the program and the School of Education Graduate Advisor.

**Transfer of Courses:** Only 8 quarter hours or 2 courses may be transferred from another university and must be approved by the program advisor, the Graduate Advisor, and all other appropriate administrative offices.

**Course Currency:** At graduation, all credits used to satisfy requirements for the Master’s degree must have been completed within four academic years. It is not guaranteed that courses will be offered by the University at these times; however, efforts will be made to keep the student on track for graduation.

M.Ed. – School Psychology: 2022-23

In addition to departmental requirements, candidates for graduate degrees must fulfill University requirements described in the ‘Graduate Education’ section of the UCSB General Catalog.

The M.Ed. in School Psychology is issued to students enrolled in both the School Psychology doctoral program or terminal M.Ed. program. Students who have successfully completed two years of full-time courses (all courses passed with a B or higher and totaling a minimum of 52.0 units) may file for the M.Ed. (recommended by May 15th of the student’s second spring quarter). The M.Ed. will be awarded no sooner than the end of the student’s second year in the program, following a review by School Psychology faculty within CCSP.

Students are required to submit a portfolio as part of the M.Ed. oral comprehensive exam process (typically during the spring quarter of the second year of study). The student portfolio documents student products produced as part of coursework, fieldwork experiences, and other creative products (e.g., publications and conference presentations). The M.Ed. oral examination occurs as part of the year-2 portfolio examination and involves faculty affiliated with the school psychology area.

UCSB Fieldwork and Internship Portfolio

General Overview

A portfolio is a presentation of products that provide evidence of your acquisition of knowledge and competencies in the major training domains of school psychology. We have designed the portfolio process so that it represents a developmental sequence of reflections and products designed to showcase your growing competency as you advance through the program. Thus, there are different requirements and expectations at each review period (Year 1, Year 2, and post-Internship); each portfolio is cumulative in that it should include all past work building to the final post-internship product.

In order to demonstrate your competency, you must prove that your work has had an impact on “children, youth, families, and other consumers.” The portfolio will showcase your work consisting of evidence that you have attained the domains of school psychology training and practice as set forth in the standards. NASP requires a summary of the results of at least one program-embedded, comprehensive, culminating, performance-based measure (e.g., case studies, portfolios with corresponding requirements, rating criteria/rubrics, results). We have designed the “Signature Assignments” to fulfill this requirement—completion of these will ensure you have adequately addressed all the standards.

The portfolio is not designed to prove that you have met the academic requirements for a graduate degree or for the PPS School psychologist credential. Completion of course requirements is a separate requirement from the portfolio process and is verified by the GGSE Student Advisor and by the GGSE Credential Analyst. Thus, coursework should not be included in the portfolio unless it is directly related to the fieldwork standards and provides data regarding your effectiveness as a school psychologist (e.g., behavior intervention plan).

The portfolio provides evidence of your present level of professional skill development vis-à-vis the training standards. Updated, detailed information about each standard is available on the NASP website. Quality and depth of information and reflection is what is sought, not bulk. The following pages detail the portfolio requirements.

Year One Requirements

A. Design your electronic portfolio template. The portfolio should be an easy-to-navigate electronic document. Students should create their portfolio in an organized file containing all the required elements. PDF portfolio is recommended but not mandatory.

B. Complete the Professional Development Section. The first section of the UCSB school psychology portfolio includes the following professional development information that should be developed in the first year and updated/maintained yearly after that.

- Vita / Resume
- Transcript (can download from UCSB Gold)
- Statement of Professional Philosophy
- Statement of Professional Goals and Competencies
- Conference Attendance / Presentations
  Make a list of conventions you attended along with the workshops, presentations, and special sessions you attended at each. Superior portfolios will also include reflections or handouts detailing the experience. Include all that you have attended from the start of graduate school.
- Workshop Attendance / Presentations / University Presentations / Attendance
  Make a list of conventions you attended along with the workshops, presentations, and special sessions you attended at each. Superior portfolios will also include reflections or handouts detailing the experience. Include all that you have attended from the start of graduate school.
- Membership in Professional Organizations
  Include a list of professional organizations along with dates you have been a member. Include any leadership positions or committees.
- Documentation of Meeting Credential Requirements
  Include the completed Credential Services Office Form with all four requirements completed (Basic Skills Requirement/CBEST, Certificate of Clearance, TB Clearance, B.A. Degree).

C. Reflections. For each of the standards (listed below), write a summary/reflection addressing the following questions/comments.

- What does this standard mean for the practice of school psychology, why is it important?
- What activities would demonstrate proficiency in this standard and why?
- Outline a plan for your next stage of training to address unmet standards.
- Include your personal area of interest where you want to gain some particular expertise.

Practices that Permeate All Services
- Data-Based Decision-Making
- Consultation and Collaboration

Direct Services – Student Level
- Academic Interventions and Instructional Supports
- Mental and Behavioral Health Services and Interventions

Indirect Services – System Level
- School-Wide Practices to Promote Learning
- Services to Promote Safe and Supportive Schools
- Family, School, and Community Collaboration
Foundations of Service Delivery
- Equitable Practices for Diverse Student Populations
- Research and Evidence-Based Practice
- Legal, Ethical, and Professional Practice

D. Peer Review. Ask a peer to review your portfolio. Peers should provide constructive criticism to help you improve the portfolio prior to final submission. The peer review must be included in the portfolio when submitted for faculty review. Thus, the peer review of the portfolio should be completed during the third or fourth week of the spring quarter. Considering the results of the peer review, the student should perform appropriate revisions before submission. Include the peer rating form and suggestions for improvement in your portfolio (attached).

E. Log of Hours. You are responsible to keep and include in your portfolio a detailed journal of your hours, including what activities you complete each day in what setting (preschool, elementary, junior high, high school). You must include a category for supervision hours.

H. Evaluation forms. In your portfolio include the following:
- Basic Practicum Evaluation(s)

Note: No products are required at this stage. Your reflections in part C will inform your development of a fieldwork plan in Year Two.

Your portfolio is due to your advisor by April 30th and constitutes part of your annual review.
Year Two & Three Requirements

A. Update your electronic portfolio template. Make any desired changes to your electronic portfolio template.

B. Update the Professional Development Section. Update/renew each of the professional development elements. Please note: for Professional Statements, include the Year One version in addition to the updated Year Two version - in the same document - so the two statements can be compared to assess growth. Ditto for Internship Year.

- Vita / Resume
- Current Transcript (can download from UCSB Gold)
- Statement of Professional Philosophy – Include all prior statements (Year One and Year Two, if applicable) and newly updated Year Two/Intern versions – in the same document - so we can assess growth
- Statement of Professional Goals and Competencies- Include all prior statements (Year One and Year Two, if applicable) and newly updated Year Two/Intern versions – in the same document - so we can assess growth
- Conference Attendance / Presentations (Include all that you have attended from the start of graduate school).
- Workshop Attendance / Presentations / University Presentations / Attendance (Include all that you have attended from the start of graduate school).
- Membership in Professional Organizations

C. Reflections. For each of the standards, update your summary/reflection addressing the following questions/comments.

- What does this standard mean for the practice of school psychology, why is it important?
- What activities would demonstrate proficiency in this standard and why?
- Outline a plan for your next stage of training to address unmet standards.
- Include your personal area of interest where you want to gain some particular expertise.

Include the Year One version in addition to the updated Year Two version (and then the updated Year Three version) so the two statements can be compared to assess growth.

D. Signature Assignments. Complete the required signature assignments

E. Fieldwork Plan. Your final, summative fieldwork plan from the year should be included along with updated notes and dates of activities accomplished (or anticipated if they will be completed by the end of the school year). Interns should include plans from years 2 and internship year.

F. Log of Hours. You are responsible to keep and include in your portfolio a detailed journal of your hours, including what activities you complete each day in what setting (preschool, elementary, junior high, high school). You must include a category for supervision hours. Include logs of hours from all relevant years in the program.

G. Evaluation forms. Have your supervisor complete your final evaluation in time to include it in your portfolio. In your portfolio include the following:

- Basic Practicum Evaluation
- Second Year Quarterly Evaluations
- Internship Year Biennial Evaluations (when applicable)
- All past Portfolio Review forms – faculty and peer
H. Peer Review. Ask a peer to review your portfolio. Peers should provide constructive criticism to help you improve the portfolio prior to final submission. The review should cover all aspects of the portfolio including the signature assignments. The peer review must be included in the portfolio when submitted for faculty review. Thus, the peer review of the portfolio should be completed during the third or fourth week of the spring quarter. Considering the results of the peer review, the student should perform appropriate revisions before submission. Include the peer rating form and suggestions for improvement in your portfolio (attached).

I. PRAXIS-II Score Report (final portfolio). You must include your full PRAXIS-II score report. When you take the exam request a copy be sent to UCSB GGSE and request one for yourself. When your scores are sent to you immediately download a copy for yourself (if you wait they will charge you money). Redact your SSN but not your name. You will include a copy in your portfolio.

J. Site and Supervisor Evaluations. You must complete and include year-end evaluations of your fieldwork site AND fieldwork supervisor.

K. NCSP Paperwork (Year 3 only). Please bring hard copies of your NCSP paperwork to your portfolio meeting so the faculty can sign off on them and you can apply as soon as all other application materials are ready.

Year 2 portfolio reviews will occur during the last two weeks of the Spring quarter – date TBD. They will involve a 30-minute meeting with your advisor and the School Psychology Program Coordinator in an oral examination for the M.Ed. degree.

Internship year portfolios will be submitted to the School Psychology Program Coordinator two weeks prior to your portfolio date, which will occur on Friday, Week 10, Spring Quarter between 9:00 and 4:00 or at a mutually agreeable alternative time.
Appendix F

M.Ed. School Psychology Program Credential Checklist

YEAR 1

- **Begin File** in Credential Advising Office (ED 4102). Check with the credential analyst now, frequently, and often.

- **Your Basic Skills Requirement, Certificate of Clearance, TB Clearance, and award of Bachelor’s Degree from a regionally accredited institution must be on file.** Verification must be provided to the school psychology faculty when seeking signatures for approval of the petition.

- **Complete Year-1 Course Work and Portfolio Meeting During Your Annual Review**

YEAR 2

- **Complete Year-2 Course Work and Portfolio Meeting during Your Annual Review on Friday of Week 10 during CNCSP 274F**

- **Fall: Register for and take the NCSP Praxis National Examination** just prior to starting year 3. You must report test scores to UCSB. You may take and pass the PRAXIS examination as late as March of your internship year in order to earn your credential in June. However, it is advised that you take the exam earlier in case you need to re-take the exam to earn a passing score.

- **Spring: Submit an Application for Internship Credential**, if required, during March-April of the year prior to internship. See the Credential Office (Katie Tucciarone) to ensure everything is complete. The Internship Credential is required for a paid internship within the state of California. A MOU may also need to be secured if UCSB does not already have one with the partnering District. To learn more about the process, please review the How to Apply for an Internship Credential document.

- **Spring: File petition for the Masters of Education (M.Ed.) degree** early in the Spring quarter before leaving for Internship. Katie Tucciarone will work with you on this.

- **Spring: Apply for Part Time Status** for upcoming Internship Year.

YEAR 3 / Internship Year

- **Fall - Spring: Enrollment.** You will enroll in 6 units of CNCSP 275 to support your work in the Internship.

- **Apply for your School Psychology Credential.** You will be contacted by the Credential Office to complete an application for a Clear Pupil Personnel Services Credential. Your credential will be awarded on the last day of your Internship. The CTC will email you a link asking that you complete the recommendation and pay the fee. (Fees range from $50-$100 depending on whether a fee credit from your certificate of clearance is still available)

- **Complete Final Portfolio and Credential Review with School Psychology core faculty.** Portfolio dates and times are set for late May or early June upon completion of internship.

*The portfolio paperwork is the paperwork you need signed in order to earn your M.Ed. The Credential Analyst, Katie, will provide you with the M.Ed. paperwork and will obtain for you the three signatures you need to complete your M.Ed. “project.” The Credential Coordinator (Jon Goodwin) is the Chair of your M.Ed. committee. You will still need to complete the portfolio and associated oral examination in order to earn your PPS credential.

M.Ed. Practicum and Internship Supervisor Survey

The practicum and internship supervisor survey is completed by your field supervisor at least once a quarter. Responses to the survey are used to assess student proficiency in the 10 domains of practice outlined by the National Association of School Psychologists. Students are not required to be rated at the highest level in any area, but ratings of a 3 or higher in most areas is expected by the end of the internship experience. The survey is sent electronically to supervisors via Qualtrics.

UCSB Quarterly Practicum and Internship Supervisor Survey - SP M.Ed. Program

Start of Block: Default Question Block

Q1 THANK you for your continued support of our UCSB School Psychology students and their professional development. We value your feedback and would appreciate you completing this evaluation of your supervisee. After you have completed this, please retain a copy to review with your supervisee.

If you have any technical difficulties with the evaluation, please contact staff at 805-893-3375.

Thanks you in advance for completing this survey.

Directions: Evaluations should be based on the trainee's current level of progress and competence in the current fieldwork site. Click the option on the scale that best describes the trainee's competence as given in the descriptions below.

-1- Remediation Needed. Trainee requires additional growth, maturation, and change in order to gain minimal competence; trainee should not be allowed to function independently and requires intensive supervision.

-2- Still in Development. With further supervision and experience, trainee is expected to develop competence satisfactorily; independent functioning is not recommended and close supervision is required.

-3- Expected Level of Competence. Competence assessed to be at the level necessary to function in current role, with periodic need for supervision.

-4- Competence Fully Developed. Competence developed and trainee can function independently with little or no supervision required. Typically reserved for trainees near completion of their graduate training.

-N/A- Not Applicable. The competency or skill is not applicable to the student; the practicum does not provide the opportunity to evaluate the skill and/or the skill was not observed.

Appendix H

Key Faculty and Staff

Faculty Advisor
Each student in the school psychology specialization is assigned a faculty member, who is closely aligned to the School Psychology specialization, as a program advisor. The faculty advisor is available for general academic advising and should be consulted for decisions regarding taking additional courses, engaging in research with another faculty member, or taking on additional outside responsibilities. The faculty advisor is not an expert on course requirements, however. Thus, you must be responsible to plan your courses according to the credential and degree requirements. There are several other supports within the Department for successfully negotiating your graduate studies.

Department Chair (Dr. Steve Smith)
The Department Chair is responsible for administrative oversight of the Department. The Department Chair interacts with faculty, students, and staff to facilitate Department activities to fulfill the vision and mission of the Department. The Department Chair also communicates and attends meetings outside of the Department to facilitate activities within the Department context.

School Psychology Credential Coordinator (Dr. Jill D. Sharkey)
The School Psychology Coordinator provides administrative oversight for the credential program. She is responsible to manage the program to meet CCTC requirements. The Coordinator also teaches the second-year and internship fieldwork courses. As the University-based fieldwork supervisor, the Coordinator oversees the practitioner training of all credential students and is available as a mentor regarding credential requirements, fieldwork sequence and opportunities, and job prospects. She complements but does not duplicate the efforts of the Student Affairs Office.

Student Affairs Graduate Advisor (Dr. Matt Quirk)
The Graduate Advisor is the faculty position responsible primarily for matters of student affairs. The CCSP Graduate Advisor, along with the GGSE Academic Advisor, processes all records pertinent to students’ admissions, enrollment, and eventual graduation. All matters pertinent to financial aid, petitions for leave of absence, and any “special circumstances” must be approved by the Graduate Advisor. In addition, the CCSP Graduate Advisor attempts to serve as a liaison between the student body and the faculty as a whole. In this role, the CCSP Graduate Advisor serves as an advisor to the Graduate Student Association and advises students on matters of academic policy. Students are encouraged to use the services of CCSP Graduate Advisor for matters that are appropriate, either of a professional or personal nature, when faculty mentor relationships are not sufficient.

Credential Office (Katie Tucciarone)
The Credential Analyst is responsible for coordinating and planning certification services, clearing and recommending credentials, acting as a liaison to the State Commission on Teacher Credentialing as well as advising, mentoring, and performing degree checks for the PPS Credential.

Student Affairs Office (Sam Rifkin)
The Student Affairs Office serves as a liaison between the Graduate Division and the students of the Graduate School of Education. Policies and procedures regarding admission, registration, leaves of absence, change of status, and completion of degrees are interpreted and shared with the students by the Academic Advisor. This office maintains all student records pertinent to applications, enrollment, and eventual graduation. The SAO serves as a resource person to both faculty and students. Students and faculty are welcome to contact the SAO regarding matters pertinent to degree progress. This office also
maintains student records pertinent to applications for the credential. Each student is responsible to contact this office for assistance with taking the CBEST, getting a Certificate of Clearance, a Certificate of Health, and submitting Credential Applications. SAO staff members meet with students as needed to facilitate the advising process. All students must work with the SAO to formally enroll in the credential program and to obtain the credentials needed for a paid internship and to practice as a school psychologist.

**Director of Clinical Training (Dr. Jon Goodwin)**
The Director of Clinical Training (DCT) is primarily responsible for completing annual and other-required reports for APA. The DCT provides assistance to students with their applications for predoctoral internships and meets with students at least annually to coordinate their applications for APA-accredited internships. If you have any questions about internships, please see the DCT.

**CCSP Executive Committee**
The CCSP Executive Committee consists of the CCSP Department Chair and faculty from each emphasis (Counseling, Clinical, and School Psychology). This Committee is responsible for all matters of policy pertaining to student welfare. Students may consult this committee for any relevant academic concerns, and may consider the committee as a committee of appeal. If you need any "official" form, see the CCSP Graduate Advisor.
Appendix I

UCSB Student Services

Campus Learning Assistance Services (CLAS)
The University offers group workshops and individual support to students who need help with reading, exam-taking, problem-solving, time management, note-taking, writing, and study skills. CLAS offers instructional groups, drop-in tutoring, writing and ESL services, skills workshops and one-on-one consultations. Students are encouraged to visit Campus Learning Assistance Services (CLAS) early and often. CLAS is located on the third floor of the Student Resource Building.

Individual Differences and Accommodations
UCSB is committed to providing reasonable academic accommodations to students with disabilities. If you anticipate experiencing difficulty in a course for any reason, please consult with the instructor of record. If you have a disability that may prevent you from fully demonstrating your abilities, you should contact the Disabled Students Program as soon as possible. Any student wishing to receive accommodations for a verified disability should request academic accommodations through the Disabled Students Program (http://dsp.sa.ucsb.edu, 893-2668) as soon as possible.

Career Services
Career Services provides students with many job search preparation services, including interviewing skills, networking, and resume and cover letter assistance. Career advisors are available daily to meet with students about jobs, finding an internship and more. Employers often come to campus to conduct interviews in an environment that is convenient and comfortable for students.

Student Mental Health Coordination Services (SMHCS)
UCSB is committed to providing a quality learning environment for its students. It is not uncommon for students to encounter emotional and mentally stressful challenges over the course of their studies. Sometimes these challenges are sufficiently acute that they deserve the attention of professionals trained to provide referral or direct health services. The Student Mental Health Coordination Services (SMHCS) office is a user friendly, single point of contact for our campus community to report concerns about students in distress or a student distressing others. As the department that collects all information regarding distressed student concerns, SMHCS provides coordination of care, interventions, social support, and follow-up services from a network of campus resources. The SMHCS office provides a comprehensive Distressed Students Guide found on the Internet at https://studentsindistress.sa.ucsb.edu and can be contacted by phone at 893-3030 during regular work hours or at 893-4411 (after hours).

Personal concerns such as stress, anxiety, relationships, depression, cultural differences, can interfere with the ability of students to succeed and thrive. For helpful resources, please contact UCSB Counseling & Psychological Services (CAPS) at 805-893-4411. If you encounter a student in distress, please contact (805)893-3446 immediately and/or consult the Responding to Distressed Student Protocol.

MultiCultural Center (MCC)
The MultiCultural Center (MCC) strongly advocates and creates a sense of belonging for marginalized and minoritized students.

Food Security
If you are facing any challenges securing food or housing, and believe this may affect your performance in the class, you are urged to meet with a Food Security and CalFresh Advocate, who is aware of the broad variety of resources that UCSB has to offer (see their drop-in hours at food.ucsb.edu).
