| ED 199RA                       | Independent Research Assistance (JEDI, STEM, EEE, RIE, HDD, LLS)                                                                     | 1-5  |  |

| <b>MAJOR REGULATIONS</b>   |                                                                                                                                                                    |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Prerequisites</b>       | Check the <i>General Catalog</i> for the prerequisites to all listed courses.                                                                                      |
| <b>P/NP Grading Option</b> | ED 199 and ED 199RA can be taken for P/NP. All other major courses, including those applied to the major from other departments, must be taken for a letter grade. |

|                         |                                                                                                                                               |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Substitutions</b>    | For the major requirements, substitutions are permissible only by petition to the Department Chair and Dean.                                  |
| <b>GPA Requirements</b> | Minimum GPA of 2.0 overall UC average is required for all lower and upper division major courses.                                             |
| <b>Double Majors</b>    | With the approval of each Department Chair, up to 8 units may be applied simultaneously to the upper-division requirements of the two majors. |
