

CCSP Research Festival

November 25, 2013

9AM to 1PM

SRB Multipurpose Room

Please join the CCSP community for our annual Research Festival! Fifteen graduate students from the CCSP department will be presenting their research and findings during this symposium event. Don't miss this opportunity to support your colleagues and learn about cutting-edge research being conducted by your peers.

- All CCSP students are **required** to attend this event.
- Light refreshments will be provided.
- Arrive between 8:30AM – 9:00AM for breakfast and an introduction to the Research Festival.
- Presenters must be there at 8:30AM.

We look forward to seeing you there!!!
