

UC SANTA BARBARA

School Psychology

A CAREER THAT MAKES A DIFFERENCE

School psychologists apply expertise in mental health, learning, behavior, and development to help children and youth succeed academically, socially, behaviorally, and emotionally. [NASP link](#)

ADVANCING DIVERSITY & EQUITY

UCSB faculty have developed a model program for the preparation of school psychologists to support ethnically, culturally, and linguistically diverse students and families.

BRINGING SCIENCE TO PRACTICE

UCSB faculty recognize the need for school psychologists to apply research-based skills and evidence-supported strategies to assist all students to learn and maximize their human potential. [NASP link](#)

M.ED. & PH.D. PROGRAMS

UCSB offers a 3 year [Master's Degree program](#) for those seeking to be practitioners and offers a 5 year [Doctoral Degree program](#) for those seeking to become faculty members.
