

Hospice of SB Disaster Support

Over the past several weeks, Hospice of Santa Barbara (HSB) has been vitally involved in assisting those affected by the Thomas Fire and Mudslide.

For 40 years, HSB has been providing emotional, practical and spiritual care for individuals and families grieving the loss of a loved one or struggling with life-threatening illness. Children, teens, adults, and seniors receive supportive counseling, practical care services and/or medical navigation services **free of charge**.

In the wake of the Thomas Fire and Mudslide, HSB remains committed to serving our community as we have during past crises. We will be offering a host of specialized services to our community during the weeks and months to come as we heal from the trauma of the recent disasters.

The following support will be offered:

- **Counseling and support for children, teens, and school staff on impacted school campuses**
- **Individual & Family Counseling for families of the deceased**
- **Support Group for adults grieving the death of a friend or acquaintance**
- **Support Group for adult evacuees dealing with the stress of the experience**
- **Support Group for individuals experiencing the loss of an animal - Pet Loss Support Group**
- **Quality of Life Grants for families of those who died in the Thomas Disaster**
- **Counseling services are available in Carpinteria for individuals, families, and students**

If you are in need of our services, please contact us at 805.563.8820 or amaliszewski@hospiceofsb.org.

HSB recently joined with Carpinteria community leaders to form Compassionate Care of Carpinteria, which is currently offering services. There will soon be a physical location at Children's Project - for more info visit www.compassionatecareofcarpinteria.org.

All services available in English & Spanish

If you would like to donate to support these vital community services, please go to our website.
