

The Gevirtz School leads:

A Santa Barbara County Pre-K — Grade 20 S.T.E.M. Council

*Science, Technology,
Engineering, Mathematics*

Goals of the Council

- ⌘ Support alignment and expert implementation of STEM curriculum
- ⌘ Increase the number of exceptional STEM teachers
- ⌘ Provide advanced opportunities for talented students
- ⌘ Increase the number of under-represented youth in STEM majors at community colleges and universities
- ⌘ Increase a college-going/profession-aspiring culture for every child

Building a Robust System for STEM Excellence
