APPLIED PSYCHOLOGY, 2018-2019

The Applied Psychology minor consists of 20 upper-division units, with courses distributed as indicated below. Courses may be taken in any order. All courses applied to the minor must be completed with a letter grade ‘C’ or higher, and no more than 5 units may be graded Pass/No Pass (P/NP). Please note unit variability between courses as this may impact your minor unit total.

   CNCSP 102 ........................................................................................................... 4 _____

*Students may apply 4 units of CNCSP or ED 199 or 199RA toward the elective requirement. These units must be taken for a letter grade to be considered. Students must complete an ED 199/199RA substitution form to verify the independent study/research is relevant to the minor.

Substitutions Policy: Community College and other lower-division courses may NOT be used as substitutions for any minor courses. Six upper-division quarter units may be transferred from a college or university other than UCSB if the minor advisor approves the units.

Students must consult the General Catalog for prerequisites to required courses.

The following conditions must also be met for official recognition of the minor:

- The sponsoring department reports completion of the minor prior to the posting of the degree.
- At least 20 upper-division quarter units are completed for the minor. (Waivers cannot reduce the requirement below this number.)
- At least 12 of the upper-division units for the minor are completed while in residence at UCSB.
- No more than 5 upper-division units overlap between this minor and the upper-division portion of the major(s) or other minor(s). If overlap is greater with the major(s), completion of the minor will not be formally recognized; if overlap with other minor(s) is greater, only the first minor reported will be recognized.
